Remarks:

PPR via telephone 01236 722822 or by web:
www.cumbernauldairport.org.

No aircraft is to enter the yellow hatched area at the fuel pump other than by hand manoeuvring.

All fixed wing operators must ensure that aircraft are not left parked on the main apron after fuelling under any circumstances.

No aircraft shall start or carry out engine runs with tails directed towards hangars or other aircraft.
